**The company LIVONIA SIA** deals in the manufacture of alcoholic and non-alcoholic beverages.

Company producing various kind of sparkling soft drinks, better known as a party drinks, as well as alcoholic cocktails and natural birch juice.

The beginnings of its operation can be found in the last century, when a beverage production unit was opened in the former servants' quarters of a manor in Palsmanes parish. At first, the unit only produced beer, but, already by 1972, it filled its first bottle of sparkling beverage – and that was just the beginning.

The best historical traditions were taken over by company LIVONIA, which expanded manufactu-ring from new factory in Cesis. Since 2007 enterprise is situated in a completely new and modern production unit, it gives the opportunity to keep bringing high quality products in the local market, as well doing with an export.
